# HRNECK

Production access guide · executive walkthrough

CONFIDENTIAL · DEMOSEEDER ACCOUNTS

## Platform Super Admin

MSP CONSOLE

1. Open `https://app.hrneck.com/login`
   Also works at https://hrneck.com/login
2. Sign in with platform credentials:

| | |
|---|---|
| EMAIL | `admin@hrneck.test` |
| PASSWORD | `DemoPass!234` |

3. Complete **MFA only if prompted** (seeded off by default).
4. You land on **/msp** — Organizations directory.
5. Optional: click **Open tenant admin** to work inside that tenant's **/org**. Use **Exit tenant** to return to MSP.

## Organization Admin

TENANT · ITNECK

1. Open tenant host `https://itneck.hrneck.com/login`
2. Sign in with org admin credentials:

| | |
|---|---|
| EMAIL | `admin@itneck.test` |
| PASSWORD | `DemoPass!234` |
| TENANT | `itneck` |

3. Complete **MFA only if prompted**.
4. You land on **/org** — Organization dashboard (training, employees, ticketing, settings).

Org admins use the tenant subdomain only. They cannot open /msp or Filament.

FILAMENT

### Platform ops panel

Open `https://admin.hrneck.com/admin/login` · Central ops: tenants, health, activity log (not the customer UI).

`admin@hrneck.test`
`DemoPass!234`

Do not forward beyond intended recipients · MFA off by default
